

ORGANIZATIONAL PRINCIPLES AND EVALUATION

FAI F5J **INTER TOUR** 2016 – 2017

1. The FAI F5J **INTER TOUR** 2016-2017 competition is organized by MCT - Model Club Trnava, Slovakia.
2. The Competition is ruled by FAI Sporting Code, Section 4, CLASS F5J - THERMAL DURATION GLIDERS WITH ELECTRIC MOTOR AND ALTIMETER/MOTOR RUN TIMER (AMRT)
(English: http://www.trnavaf3j.sk/Download/f5j_intertour_2016/SC4_Vol_F5_Electric_16.pdf)
(Slovak: <http://www.f5jfun.com>)
3. One country may register up to 4 competitions. (National Aero Clubs, their F5J sections or individual F5J competitions organizers shall coordinate all the terms).
4. Moving a competition (e.g. supplementary dates for bad weather conditions, etc.) to a different site can be realized only within the same country of competition.
(FAI sporting code, Volume ABR paragraf B.14 a B.15)
5. Registration of competitions to the FAI F5J **INTER TOUR** 2016-2017 list.
(by using a pre set registration form - word, excel. Sample available for download on the website <http://www.trnavaf3j.sk> or <http://www.intertourfaif5j.com>).
6. FAI F5J **INTER TOUR** 2016-2017 competition results reporting.
(by using a pre set score sheet - excel form. Sample available for download at <http://www.trnavaf3j.sk> or <http://www.intertourfaif5j.com>).
7. Organizer of the competition registered into the FAI F5J **INTER TOUR** 2016-2017 series has committed himself to send a complete score sheet for the series evaluation in an agreed format to the Secretariat by e-mail no later than five days after the competition has taken place.
(Email: info@trnavaf3j.sk or results@intertourfaif5j.com copy of the document or any possible result adjustments shall be sent to support@intertourfaif5j.com)
8. The FAI F5J **INTER TOUR** 2016-2017 Secretariat has committed itself to publish a continuously updated scoreboard of all the series competitions (reported by individual organizers) on its website <http://www.trnavaf3j.sk> or <http://www.intertourfaif5j.com> with points allocated in accordance with the series evaluation principles.
9. The final evaluation includes the best four results of all FAI F5J **INTER TOUR** 2016-2017 series competitions while maximum two might result from domestic competitions and the rest must be resulting from other international competitions of the mentioned series.
10. To the total points gained in the respective competition (normalized on 1000) a bonus will be added depending on the number of participating competitors (the fly-off winner will get bonus points equal with the number of participating competitors, the 2nd place gets bonus points equal with the number of participating competitors less 1 point, the last place gets 1 bonus point).
11. Every Competition registered to the FAI F5J **INTER TOUR** 2016-2017 series must consist of at least four rounds. However minimum of 6 rounds flown per competition are recommended. In case the competitor flies more than 4 rounds in the respective competition his worst round result is not counted to the final qualification score. (Rules F5J point 5.5.11.13)
12. After fly-off and evaluation of the final competition in the series the **F5J WORLD TRNAVA VISEGRAD CUP 2017**, the whole series will be evaluated as well and the FAI F5J **INTER TOUR** 2016-2017 overall winner will be appointed. Winners will be rewarded with prizes, diploms, medals and cups.
13. At the end of the global series F5J we offer a full-fledged two-day competition **2nd F5J World Challenge 2017**, which takes place 19-20. August 2017 also at the airport Trnava-Boleráz SLOVAKIA. Details are in a separate bulletin.
The competition will include 6-8 rounds (according to number of participants) + 2-3 finals rounds. The winners will be rewarded financially, the first will receive € 100, the second 100€, third € 100 and, of course, cups and other prizes. The first prize will be an F5J model from sponsors, too.
